

WERE YOU SATISFIED WITH YOUR :-

- **Board work?** Yes, although maybe I could have used it more
- **Visuals?** I was very happy with the visuals I prepped for the lesson
- **Concept Questions?** I didn't have many CCQs although the lesson didn't really need too much of it
- **Correction Techniques?** Yes it seemed to fit the class well
- **Were the students mistakes as anticipated?** Yes as anticipated
- **Tape work?** N/A
- **Video work?** N/A
- **Use of Games / Role-Play?** I had a little role play which I was happy with

Next time I'll..

- Be more prompt with error correction
- Be more mindful of my own errors/slips
- Ease into the class a little slower at the start
