| <p>You have a one bedroom apartment for rent near the university. It is fully furnished. It is a one year lease. Costs 750 pm.</p>  | <p>You have a fully-furnished one bedroom apartment for rent in the city center for only 975 pm. You are looking for someone long-term.</p>  | <p>You are a student in a two bedroom apartment. You are looking for someone to share the apartment with (you pay 800 pm). The apartment is fully-furnished. You love pets.</p> | <p>You are renting a fully-furnished house to 4 students but one student moved out for the summer. You have one room free for 500 pm. No pets allowed!</p>                     |
| <b>[LANDLORD #8]</b>  | <b>[LANDLORD #7]</b>   | <b>[LANDLORD #6]</b>  | <b>[LANDLORD #5]</b>   |
| <p>You have a house to rent in the suburbs. It has a large garden (good for pets). You prefer a long-term tenant. Costs 1000 pm.</p>  | <p>You rent a house to 4 students but one student moved out. You need to find a replacement. The house is in the suburbs and the room will be 400 pm.</p>                                | <p>You have a house to rent in the suburbs. It is newly built so it has no furniture. You prefer a long-term tenant. Costs 1000 pm.</p>   | <p>You are going to be away for the summer (one month). Your home is available to rent. You hate pet hair on your furniture! Costs 490 pm</p>                                  |
